

PARKING/TRANSPORTATION

- There will be security at a majority of our parking sites. Please be advised the Suquamish Tribe, Port Madison Enterprises and private parties are not responsible for lost, stolen, or broken and the contents of those vehicles.
- Parking off site is the BEST way to get into Suquamish protocol and vending area. There will be almost around the clock shuttling through out the course of the celebration.
- For canoe families staying with us through out the week there will not be a need to drive your car into Suquamish. We are working very hard to make the shuttle service is as convenient as possible.
- We will also have our tribal vans and Golf Carts handy to transport elderly and the disabled.
- Suquamish Way/Augusta will be closed from Monday August 3rd to Saturday, August 8th. Only shuttles and permitted vehicles will be to pass through.
